## PRICE INCREASE ANNOUNCEMENT

08/10/2020

Subject: price increases planned for January 2021 – SV Electrical

To our valued Customers

TE Connectivity will be implementing the following global book price increases, which will be effective on January 1<sup>st</sup> 2021 (details in page 2):

- Entelec Terminal Blocks: **from 0% to 5%**
- Terminals & Splices: **from 4% to 5,5%**
- Identification: **from 2% to 5%**
- *Entelec Branded PVC terminals & IPX8 connectors repacked: **no increase***

This is directly related to the significant increases of various costs (raw material, labor etc..) over the last 12 months period. New prices will be valid for the coming 12 months.

We at TE Connectivity are grateful for your continued business and look forward to servicing all your future needs. Please contact us directly with any of your concern our question regarding this increase.
